

SNO SECRET

No 1 February 2006

Dear members

Welcome to the summer edition of Sno Secret. It's hard to believe that this will be my 10th year of producing the club's newsletter.

First of all, let me introduce the Committee for 2006 as elected at the AGM in January.

President	Ian Gregory
Vice President	Bruce Norton
Secretary	Rasma Kreilis
Assistant Secretary	Mavis Williams
Treasurer	Ian Eddy
Publicity Officer	Kevin Donegan
Assistant Treasurer	Evelyn Jelercic
Maintenance Officer	Kevin Masters
SLOPES/NSWSA representative	Mavis Williams
Catering Officer	Owen Kreilis
Sports Captain	Ian Gregory
Social Secretary	Gai Curtis
Booking Officer	Heath Barnes

Kent Barnes has stepped down from the committee, due to being relocated to sunny Queensland with work. Thanks for your contribution, Kent.

Since there were fewer nominations than available positions, there remains a vacancy on the committee. Astrid Turner has been invited to take up that position.

AGM Report.

At this year's AGM Kevin Masters used his newly developed skills with PowerPoint to give an update on plans for lodge renovations. By the time you read this work should have started and even if the new bedrooms are

not ready for occupation this season, we will still have full use of the lodge including existing bedrooms.

It seems that everyone is using PowerPoint. Mark O'Brien gave a report on last year's junior development program.

As well as trophies being presented for the club's junior and senior championships, there were some other presentations.

There were two awards for Clubperson of the Year:

Kevin Masters for the huge effort he has put into planning and coordinating the lodge renovations.

Peter Kreilis for his sustained efforts in representing the club in all three disciplines (alpine skiing, snowboarding and XC skiing) in the Brian Donegan Memorial Illawarra Interclub races.

Bruce Norton was awarded a life membership for his long-time commitment to the club including many years as booking officer, regular participation in working bees and representing the club in interclub races.

Congratulations to Bruce, Kevin and Peter.

Sports News

The Sports Captain is overseas again, so details of junior training and junior development are not yet finalised. Phone Ian for more details.

Social News

Following the success of the combined social function last year, we are already starting to plan this year's event. Our preference at the moment is to have a cruise on Sydney Harbour, in early November. Watch this space for further details.
