Prior to the presentation the Interclub competitors and their supports were able to enjoy the hospitality that our club members are well known for; this was greatly appreciated by the other clubs. The photos gathered to commemorate the 20<sup>th</sup> anniversary year of the Interclub was also enjoyed. A huge thank you to the Maranatha helpers for setting up the common areas to fit all the guests and Clark our Lodge Manager who prepared all the snacks for the evening

Extreme Surf & Ski provided the event a great boost with a sponsorship towards the category prizes to the tune of \$1300.00.

Photos from the night are to be loaded onto the website once they are made available.

The event was enjoyed and appreciations received from the other clubs both on the night at the presentation and by email after the event.

I was glad to see the event completed as it meant an end to the very early mornings and late nights to ensure that all aspects were covered. The season has been long and is finally drawing to a close.
